

2023 AUSTRALASIAN POLICE & EMERGENCY SERVICES GAMES

ROTORUA – NEW ZEALAND

Time to fire up again...

With only 10 months now until the games begin, it's time to refocus and get some plans in place for yourself, your team and your whānau. The postponement has seen the 2023 AP&ES Games placed on pause but as a result, we have had the opportunity to plan bigger and better.

The games team are now coming back together and we are very excited about providing you all with an amazing 8 days of competition, activity and entertainment in and around Rotorua. Games registration remains open so decide your sport, your squad, your uniform or necessary kit, your accommodation and very importantly, your leave! In all services, leave will become in demand so get in early to avoid disappointment.

Keep in touch with the 2023 games on our website apes2023.co.nz our [Facebook](#) or our [Instagram](#) page.

Get the fire back in your belly!
