

Hi All,

The Murray River RFPA have been working with the Beyond the Badge group to be able to organise a free 2-day Face to Face Career Transition Program for all Veterans and First Responders to attend in Albury. The attached information will provide you with the details. If you are transitioning out of one of these organisations, are already out no matter how long or you know someone that might need this program to help them move on into the next chapter of their lives, then please forward it to them. There are many former officers as well as first responders and veterans out there that are not connected to us via email, SMS or Facebook who you may be able to forward or speak to about this valuable life changing opportunity. Please nominate or spread the word so that we are able to support and change lives. Thanks Beth
