

# RFPA Member Discounts News

July 2025

Welcome to the latest RFPA Member Discounts News where we will bring you the latest news about RFPA Member discounts and benefits.

## Is RFPA Membership worth \$28 a Year?

Not long ago, one of our RFPA members struck up a chat with a retired colleague and asked if he'd joined the RFPA. The response was honest:

*"Mate, I don't see the point in paying to catch up with old mates—I do that now for free."*

The member smiled and replied, *"Fair enough, but did you know RFPA members get discounts with a bunch of businesses like Hertz, Amplifon, Specsavers, and several travel companies like Virgin Airlines, Scenic Cruises and Wendy Wu Tours. Just last month I got new hearing aids and saved over \$2,000 off retail thanks to the RFPA discount. And my wife and I are heading to Thailand in November with Wendy Wu Tours—we saved heaps with the RFPA member discount."*

His mate looked surprised. *"You seriously saved that much? I need a new pair of specs-what's it cost to join? Just don't sign me up for more meetings—I've had enough of those to last a lifetime."*

The member laughed. *"No problem. You don't have to go to the meetings, don't go unless you want to. But for just \$28 a year—I've already saved that many times over."*

## Applying for Discount Codes

Some of our valued Business Partners — including Hertz, Sixt, MyCar, and Wendy Wu Tours — offer exclusive discount codes for RFPA Members. To receive the associated discounts, you'll need to quote the relevant code when booking.

To prevent misuse, these codes aren't publicly available. Financial members who wish to request a code must complete the *Discount Code Request Form*, located on the RFPA website under the **Member Discounts** menu.

When submitting your request:

- Make sure your RFPA membership is current.
- Include your RFPA Membership ID — it's printed on your Membership Card and also above your name on your RFPA Gazette mailing label.

Once your request is received, the Webmaster will validate your details and email you the applicable code. Please keep this information private to uphold the trust and integrity of our partnerships with these providers.
